

The Guest House

234 Sq. Ft./22M²

CUSTOM SERIES

The Guest House is perfect as a small cabin in the woods, a generous sized bunkie for the cottage, or a comfortable and private place to put your guests at home. This compact, yet attractive cabin has a good sized living area with sink and cabinet, separate sleeping area and privacy toilet. There's plenty of windows for light and fresh air. Even a small covered porch.
